I suggest you visit the linked sites and look for newer modifications before installing this, just in case. In the case of RTW Gold, it may be 1.5. You must start the game, go to alternatives and see which version number appears in the corner of the screen. Nothing in these terms has any effect on legal rights granted to you as a consumer under Japanese law that can not be changed or terminated by contract. The type of government chosen by the player determines how other fractions see the player and affect their diplomatic relationship.
